9TH ANNUAL CONFERENCE

OF

INDIAN ASSOCIATION OF NEONATAL NURSES

18th - 20th November 2022

THEME

NEONATAL NURSING: PROMOTING INTACT SURVIVAL
OF NEONATES

VENUE

INSTITUTE OF NURSING EDUCATION &
RESEARCH AIIMS, BATHINDA

Greetings from Indian Association of Neonatal Nurses,

Dear Friends,

The survival of newborn babies depends on the care we provide. International agreements have affirmed the world's commitment to improving newborn health. Newborn care often receives less-than optimum attention. Almost 12,000 of the 350,000 babies born each day die within their first month of life - the neonatal period- and 98 percent of those deaths occur in developing countries. Nurses are playing a key role in improving new born survival through maternal health.

IANN is a professional organization established in 2008 to advance the knowledge, and foster excellence in practice of neonatal nursing. It advocates policy within the health care delivery system for provision of quality care to neonates. IANN promotes the development of neonatal nursing by conferences, meetings, seminars every year. In 2022, IANN is organizing a conference at AIIMS, Bathinda.

We are delighted to welcome you to the 9th Annual Conference of IANN, in Collaboration with Institute of Nursing Education & Research, AIIMS, Bathinda, to be held from 18th- 20th November 2022. Neonatal Nurses all over the World are invited to discuss innovations and advancements in the emerging field of Neonatology.

Aim of the conference:

Conference aims to offer neonatal nurses and healthcare providers with an opportunity to deliver time-bound core intervention to ensure survival of newborn & meet a broad and diverse set of professional needs.

Call for Research Paper / Poster Presentation:

The abstracts are invited based on theme of conference under the following headings:

- Neonatal Nursing Practice
- Neonatal Nursing Education
- Innovations in Neonatal Nursing
- Leadership

Guidelines for Abstract Submission

We invite delegates to submit abstracts relevant to the theme for oral/poster presentation during the conference. The abstracts must not exceed 300 words in Times New Roman with font size 12 with title bold capitals with the name of the author. The abstract has to be sent to the conference chairperson e-mail presianng@gmail.com on or before 20th October, 2022.
